Registered Spanish kindergarten parents and family engagement plan for Surrey city schools policy intervenes parents for Surrey city schools link to NC public schools tackle math summer slide 12 steps to help you wake up earlier 10 smart ideas to get kids out of the door 7 The very effective secrets of home parents learning options as we continue to prepare for a safe return to learning in person, we again want to emphasize that parents are able to choose a learning option for the remainder of the year that they feel best meet the needs of their student and family. Many parents chose a student learning option as part of our enrollment process this summer. These choices for learning in person or virtual will still be valid when schools reopen; However, we want to ensure that anyone who did not complete the poll or wants to change their original choice has an opportunity to do so. \*If you do not want to change the choice of your primary learning option, please do not send a different choice. Your choice is recorded on a date, and no further action is required. We continue to follow the Department of Health's safety protocols and have done their best to ensure that Our resumptioms are safe Learn. View our re-entry simulation videos to learn more about our preparations for returning to school. Currently, we are planning for grades before K-5 and students with exceptional needs to return first in early January. The scores come back 6-12 in mid-January. It is essential for all families to announce their preferred learning option in pre-election so we know how many students will be present and can be adequately prepared for staff, student services and various daily operations in all schools. See more details about the proposed plan to reopen schools. Parents can offer a student learning option at PowerSchool until Friday, November 6. Please note, any student who does not have the chosen learning option until November 6 will automatically enroll in the in-person participation option for the remainder of the school year. OPTION 1: IN-SCHOOL Daily in-class, teacher-led instruction Enhanced health & safety protocols in class & on buses (increased cleaning, mask usage, social distancing & more) Reduced class sizes & group interaction Frequent handwashing & hand sanitizer access Please note, some teachers may continue delivering instruction virtually. However, if so, there will be a teacher, teacher assistant or alternative supervision certificate and daily support in the classroom. As we continue to social distancing, we encourage families to move their students to and from school whenever possible. As always, district transportation will be available to students who qualify. Option 2: AT-HOME /VIRTUAL Live online teacher-led instruction every day using SCS student devices Support services available (ex. IEP meetings, ESL support, social emotional support, etc.) provincial city school parent portal gives parents access to real-time information including attendance, grades and detailed assignment descriptions, school bulletins and even personal messages from the teacher. Everyone remains connected: students remain at the top of homework, parents are able to participate more fully in their student's progress, and teachers can use their scorebook to decide what information they want to share with parents. -Third-grades-12 to assignments, grades, attendance, bulletins, & Teacher's email has access.-K-2 grades will only be able to view attendance, bulletins, & email teacher portal confidential access codes for pickup parents at their child's dedicated school. Parents must provide each school with a photo ID to obtain access codes to their parents' portal.
